

Deniz Örnek

Data analyst

SUMMARY

I worked in reporting. I used Excel, SQL, and Power BI.

EXPERIENCE

Örnek Perakende

Reporting Specialist

June 2022 - August 2026

- I prepared weekly sales reports using Excel. The sales team used these reports.
- I extracted data using SQL and checked the data.
- I created a Power BI dashboard showing sales by store.

Örnek Araştırma

Intern

July - September 2020

- I organized survey data in Excel and checked missing fields.
