

Deniz Örnek

Data analyst

PROFESSIONAL SUMMARY

Reporting specialist with experience preparing weekly sales reports in Excel, extracting and checking data with SQL, and creating store-level sales dashboards in Power BI.

EXPERIENCE

Reporting Specialist · Örnek Perakende | June 2022 - August 2026

- I prepared weekly sales reports in Excel for use by the sales team.
- I extracted reporting data using SQL and performed data accuracy checks.
- I created a Power BI dashboard to make store-level sales visible.

Intern · Örnek Araştırma | July - September 2020

- I organized survey data in Excel and performed missing-field checks.
